The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to reserve the area, the boundaries of which are described in the schedule below, as a State Forest under the provisions of the said Regulation:—

SCHEDULE.

Approximate area	Name of block	Situation and boundaries
3 square miles, 303 acres.	Madla (Tegurgudda extension)	Situation.—The block is situated to the east of the Tegurgudda, south and west of the Muthodi and north of the Kagemanegiri State Forests. BOUNDARIES. North.—Starting from the north-east corner of Tegurgudda State Forest at the junction of Waddihatti-Hebbe foot-path with the river Somavahini, the line runs in an easterly direction along the same river up to its junction with Hipla halla.

hence follows the same river along the western boundary of old Muthodi forest where it bends south at the south-east corner of Survey No. 12 of Madla and the line leaves the river Somavahini and follows the western boundary of the forest till it meets again the same river.

South.—Thence turns in northern direction down the same river Somavahini; then the eastern boundary of Kagamanegiri State Forest up to its junction in the Kelavase halla and afterwards follows close to the above halla in a south-westerly direction along the northern boundary of Kagamanegiri State Forest until it meets the northern boundary of Survey No. 254 of Sugadavani; then turns west leaving the demarcation line of Kagamanegiri State Forest (which ascends up the above halla) and follows the northern boundary of Survey No. 254 of Sugadavani until it meets the south-eastern corner of Waddihatti block.

West.—Thence along the eastern boundary of Waddihatti block in north-westerly direction till it meets the north-eastern boundary of the same forest; then along the northern boundary of the same forest to the south-east corner of Tegurgudda State Forest; then follows in a north-eastern direction along the eastern demarcation line of the above State Forest until it meets the starting point.

N.B.—The following lands will be treated as enclosures in the block :—
